

## Robert (Bob) Ayotte

- Member of OMCHA since 1995
- Board Member 2001 to 2007
- Board Member 2018
- Member of Kelowna Okanagan Mission Lions Club since 1995
- Presently Secretary for OMCHA
- Lived in Okanagan Mission since 1989
- Retired, worked for Provincial and Federal Governments for 25 years, then had a successful private practice for 20 years as an Engineering Technologist

My reason for joining the OMCHA Board is to continue the good works of many previous boards, which I was a member of, including the board responsible for the Tennis Courts expansion.

I consider myself a voice of reason. I am able to listen to and understand many points of view and make sound decisions based on those conversations. I am a moderate thinker and can propose such items for discussion at the Board, for the good of the entire Association.

I can present suggestions for the improvements to the OMCHA Facilities, including the halls, parking areas, and can understand the requirements of the Tennis Facilities. I can be sympathetic to the needs of the entire Association, not just individual users of the facilities.
