

On March 2nd, 2022 the OMCHA Board approved a motion as per a Recommendation and Proposal from the Tennis Committee:

RESOLUTION REGARDING WINTER TENNIS, the board recommends to proceed with negotiations with Tennis Clubs of Canada (TCC) to erect an inflated structure on courts 1, 2 and 3 for the purpose of tennis in late fall winter and early spring subject to:

1. Approval of the business plan and lease;
2. The tennis committee securing the approval of the membership;
3. And securing a building permit on terms and conditions acceptable to the board;
4. Negotiating the final agreement and acceptance by the Board.

The Board also received and accepted at the March 2nd, 2022 Board meeting the request for an Extraordinary General Meeting signed by 10 Tennis Members of OMCHA which was approved to be held on April 27th, 2022.
