

Krista Martens

Hi, I'm Krista. In my spare time I work as a mental health nurse and am a mom to 3 busy kids. Mainly though, I play tennis, talk tennis, follow tennis and pursue my love of the game in every way. I joined the Mission Tennis Club 9 years ago when I decided I wanted to learn to play tennis. I'm proud to say that since then, I've been the ladies Club Champion in singles and doubles multiple times and currently hold the title of Ladies doubles Champion. As well as being a very active tennis player at the club, I also get involved with all of the events that take place there during the season and happily volunteer to help out with everything. My tennis passion has taken me to many parts of the world to play in tournaments and connect with the international tennis community. I will bring energy, enthusiasm and commitment to the association as a board member. I am running as a slate with Willie, Neil and Sean.

As board members we will promote accountability, open communication and make decisions for the Association that reflect the wishes of the majority of all members.

We want to maximize the potential of the Association by providing excellence in:

1. Fostering positive community involvement
2. Governance
3. Facilities
4. Coaching
5. Events

Our team is Capable, Passionate and Willing to Listen.

We are here to serve you.

Willie, Neil, Krista, Sean
