I am a recently retired physician with practices in Family Medicine and Sport and Exercise Medicine. I retain a position as Clinical Instructor in the UBC Faculty of Medicine.

My wife and I have 2 sons, one of whom is also a longtime member of the OMTCC.

I have been involved with numerous committees and boards over the years. This has included being chair of the KGH Research Committee for many years and Medical Director on the BC Summer Games Board of Directors.

My medical involvement with tennis has included being Team Physician for the Canadian Davis Cup Team and Medical Director for the Kelowna Futures Tennis Tournament.

I am running as a slate with Neil, Krista and Sean.

As board members we will promote accountability, open communication and make decisions for the Association that reflect the wishes of the majority of all members.
